

German Medical Science

Open access publishing platform
for medical science

GMS is an open access publishing platform for journals, conference publications and books. It offers a convenient and economical way for scientists and researchers in the field of medicine to publish the results of their research online. GMS is part of PUBLISSO, ZB MED's open access publishing portal for life sciences.

Items published through GMS are:

- ▶ freely available worldwide
- ▶ quality-assured through peer review
- ▶ easily citable and permanently accessible thanks to DOI and URN persistent identifiers
- ▶ permanently archived at the German National Library and ZB MED
- ▶ clearly visible thanks to their inclusion in scientific databases and search portals
- ▶ licensed under a Creative Commons licence (CC BY 4.0)

What would you like to do?

- Launch a new open access journal?
- Publish your existing journal through GMS?
- Publish an article in a GMS open access journal?
- Publish abstracts or other materials from a conference?

Whatever your needs, please get in touch to find out how we can help!
